

Newsletter from Maresfield Parish Council – March 2022

A few Points and Reminders.....

20's Plenty is a campaign to get 20mph speed limits in villages etc. Please let us know if you consider we should seek to have a 20 mph limit in Fairwarp Village. We do think the 20 mph limit in Maresfield should be extended towards Budletts Roundabout but we are unlikely to get such a limit in Nutley even around the School.

We still have issues around Dog Poo in our villages so please, dog walkers, pick it up and properly dispose of it.

If you spot anything around our Parish which needs attention do report it to the Parish Office (714555) – we may be able to fix it !

Do please register your email address with the Parish Office (via our website) so you can receive occasional important parish communications including Parish Surveys and Questionnaires.

The Platinum Jubilee is being celebrated in various ways in our communities. However we do think it would be lovely if our villages are festooned with appropriate bunting – and hope that householders agree and will do their bit. There will be tree planting and a Jubilee Fete in Maresfield on 12th June.

The Parish Web Site aspires to be the “go to” place for information about the Parish and the various Clubs, Groups etc. within our villages. Please therefor provide the Parish Office with the link to your organisation so we can include it on our Web Site. (clerk@maresfieldparish.org.uk or 714555)

The Annual Parish Assembly will be held on Tuesday 24th May at 7.30 pm with the venue and speaker to be advised later. Please do put this date in your diaries and we look forward to seeing you.

15% of the Community Infrastructure Levy paid by those developing new properties in our Parish comes to the Parish Council for it to spend on local infrastructure related projects. One such project will be the re-furbishing/upgrading of the Fords Green play area in Nutley. If you have you any suggestions for another suitable project please contact the Parish Office.

Wealden – My Alerts is a weekly email sent to you by Wealden District Council providing details of weekly refuse and recycling collections, nearby planning applications and news and information about local events and Council services. It is worth subscribing to! <https://my.wealden.gov.uk/>
