Cllr G Shaw said he had been advised by Wealden DC that he needed to submit a planning application instead of the current listed building application (at item 6.2). It was thus agreed that WD/2023/2295/LB would not be considered and the committee would instead wait to be consulted once the planning application was registered.

### 6.1 Application No. WD/2023/2379/F Application Type: Full

Councillors **AGREED** to recommend **REFUSAL**. It was considered that the proposed 2 no. dormer windows, by virtue of their size, design and positioning, would be inconsistent with the character of nearby properties and, in turn, would have a detrimental effect on the existing streetscene.

Link to document: <https://planning.wealden.gov.uk/plandisp.aspx?recno=163499>

Councillors **AGREED** to recommend **REFUSAL**. The Parish Council, as a Trustee of the Maresfield Recreation Ground, and by way of a long-standing Deed of Easement, allows all users of the ground to access it via Park Farm Lane. The existing 25 no. parking spaces which run along the length of the recreation ground are, in fact, *on* the recreation ground. The application does not give sufficient detail as to how these gates will operate in terms of users (effectively the public) nor how they will gain access to the recreation ground. If the gates are kept locked, they are limiting rightful access; if they remain open, they are redundant.

The Parish Council has concerns about the impact on the adjacent road network from the proposals (the High Street, School Lane, etc). Despite the best efforts of both the local school and the Parish Council to dissuade parents from using the parking spaces in the recreation ground during drop-off and pick-up times, they still do. The Parish Council can foresee a situation whereby parents would continue to pull in and drop-off and pick-up their children outside the gates, causing an inevitable and potentially dangerous knock-on effect on the local roads. The same situation could also apply to the members of the sports clubs who regularly use the ground (junior and senior football, stoolball, cricket) and visiting teams. It is noted that, at the time of writing, Highways has not been consulted on this application.

The Parish Council considers that the policies in the Adopted Local Plan concerning leisure and recreation facilities are relevant, particularly policies LR1 (1) and LR2, both of which seek to support existing recreational spaces. The provision of gates would necessarily limit access, both pedestrian and vehicular access, to a much-used area of open space.

The Parish Council, as above, considers the application should be refused on the grounds that it would hinder proper access (vehicular, pedestrian/disabled) to a public, established and much-needed recreational facility and would have a detrimental impact on the local highway network.

### 6.4 Application No. WD/2023/1211/F Application Type: Full

**Expiry date for comments: 7 November 2023**

Case Officer: Mr A Jolly Tel: N/A

Location: EYRES BARN, DUDDLESWELL, UCKFIELD, TN22 3BH

Description: REPLACEMENT OF ASBESTOS PRE-FAB WITH A TWO BEDROOM BUNGALOW

Application: Ms C Wadkins Agent: Johnstones

Link to documents: <https://planning.wealden.gov.uk/plandisp.aspx?recno=162021>

Councillors **AGREED** to recommend **REFUSAL on the following grounds:**

- Notwithstanding that the proposed new dwelling would be considerably larger than the existing pre-fab building, it was noted that this building had been moved to the site some thirty years ago and used for storage. The application makes no reference the pre-fab building having been used for residential purposes and thus, the proposed would not therefore be a replacement dwelling.
- The site is located well within the 400 metre buffer zone of the Ashdown Forest in which replacement residential buildings would only be permitted in very special circumstances and where mitigating measures are proposed; this is not the case with the current proposal.

**6.5 Application No. WD/2023/2358/RM Application Type: Reserved Matters**

**Expiry date for comments: 6 November 2023**

Application: Lady J Harris Agent: Ashdown Planning Consultants

Link to documents: <https://planning.wealden.gov.uk/plandisp.aspx?recno=163412>

Councillors **AGREED** to recommend **REFUSAL** of the application because the submitted plans which form part of the application show a very substantial garage which was not part of the original approval.
